KENYA INSTITUTE OF BUSINESS & COUNSELLING STUDIES (KIBCo)

(Formerly Maranatha College)

Drug Testing, Psychological and Psychometric Tests

To determine the nature, severity, progression and impact of presenting issues, KIBCo administers the following tests; drug testing, psychological assessments, personality tests and psychometric tests.

Referrals

In situations where referrals are indicated like in counselor relocation or non-availability or need for specialized care like rehabilitation, medical care etc. referrals are arranged and clients are guided.

Our Team

The team consists of well trained, experienced and specialized counselling psychologists. Psychiatric, pastoral and rehabilitative consultation is arranged when indicated. We have a cross range of specialists handling individual, couple and marriage issues.

Appointments

Appointments may be made by coming to the office in person or using other mediums like telephone, whatsapp, email or our website.

Note:

Students are charged subsidized fees, individual sessions take 45min- one hour; marriage sessions and group sessions take **11/2 to 21/2 hours**. A family having more than 3 members will pay **ksh.1,000** for every member included. Doctorate therapists attend to clients at different rates: **administration fee is Ksh.1,750 (individual session ksh.5800; Couple ksh.9,280 and Family ksh.11,600)**. **The home/organizational counselling prices are exclusive of transport fee of the counsellor.**
