1ST PROVISIONAL GRADUATION 2023 LIST

14/11/2023

Dear Graduating Students,

Subject: Release of 1st Provisional Graduation List

We are pleased to inform you that the ***1st Provisional Graduation List*** is now ***available for review***. This list, dated ***November 14, 2023***, includes ***the names of students*** who have ***successfully cleared their school fees***. It is essential to note that this is an ***initial release***. As students continue to fulfill their financial obligations, subsequent 2nd and 3rd provisional graduation lists will be produced before the final comprehensive list.

To facilitate the clearance process, it is imperative that you possess the Declaration of Intent to Graduate form. No student will be permitted to clear without this essential document.

We understand the significance of this moment, and we encourage all students who have not yet cleared their fees to do so promptly. This will ensure your inclusion in the upcoming provisional lists and, ultimately, the final graduation list.

Please stay connected to official communication channels for any updates and announcements related to the graduation process. We wish you continued success in your academic endeavors and look forward to celebrating your achievements together.
